

HARRINGTON HOWLER

SEPTEMBER 29, 2011

Special Thanks to a Special Man

Harrington students and staff would like to thank Mr. Coomer for his hard work and dedication in constructing "PAW~MART". Mr. Coomer, you have done a fabulous job. Harrington is better off because of your efforts.. Thank you.

KICK OFF TO PAW~MART!!

Huskies in 3-5th grades: Mark your calendar now in order to be ready to shop at our very own school store. No real money will be accepted -- only "Huskies Bucks" earned for showing "PAWS" behavior.

We are looking for donations for our store -- items such as: school supplies, pencil grips, legos, balls, craft kits, gently used books, flash lights (for next year's 5th grade campers) etc., are all welcome. Parents, if you would like to help with donations for Paw~Mart, please send your items to the front office, in care of Carol Truscott. Thank you for making our store a success.

Attention Dads of Great Students!

Your presence on campus shows kids that fathers really care about their school lives. If you have one day (or just one morning, or an afternoon), you can make a difference. You choose the day, and follow a written schedule. So easy, a kindergarten dad can do it. Careful, it will be more fun than you think (just ask one of the dads that does this monthly!) Fill out the survey to register, before your wife or kids do it for you! If you have any questions at all about the program, please call Mike @ 214-537-5579, or send an email. Get on the list before the shirt order is placed!
